Make Up Lessons

These are times that you can come and make up your lesson if you missed it during the cycle week. You must schedule this with Miss Gamber first, and you must make it up before the end of the current marking period! You only get 2 make up lesson times for Marking Period 1 through Marking Period 2.

****Please note that group lessons are always on the same cycle days. This is important when we approach the winter months where snow days could affect the date of the lesson. In the case of a snow day, lessons resume as usual upon return to school (same cycle day).****

Snow Day Example: My student is in Lesson Group E. If we have a snow day on December 3rd and school resumes December 4th, my student would now have his/her lesson on December 4th (now Cycle Day 4).
